

Continuing Education Information

Alberta Environment and Parks (Water and Wastewater Operator Certification branch) has approved education sessions at the 2024 WWETT Show. Attendees must attend a minimum of 3 hours to earn CEUs.

Course Title: WWETT Show 2024

Date: January 24-January 26, 2024

Location: Indianapolis, IN

CEU Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
- Attendee will download or print earned certificates and submit them to Alberta Environment and Parks to receive credit.
